

2024 Protocol Report

I have the important information regarding pictures during the reception proceeding the banquet on Saturday.

If you do not plan to be at the banquet, please let me know so that we are not looking and waiting for you.

For those attending the banquet the Board of Directors has a picture taken before the banquet as well as the incoming and outgoing Executive Committee.

We will meet down by IT Cinema at 5:45PM to begin taking pictures at 6:00PM.

Please do not be late, we will not search for you.

Delegates, please remind of any of your 50-year members in attendance, and Madam President please remind your honorees in attendance, and I will remind the National Past Presidents in attendance that they also need to be at the photo area for 6:00PM.

Our current National Area Directors as well as any newly elected National Area Directors will sit at the head table on the lower tier. If you have a guest attending, they will not be sitting with you.

Also as delegates please remember will collect the green tickets of your chapter tables and turn them into Shawn Terenzi. If you are not attending the banquet, please ask another delegate to collect the tickets.

For any newly elected officers, please remember you will be installed on the stage after our meal (or sometimes in the middle of our meal).

Delegates, please, we ask your help as far as etiquette of the attendees at the banquet. We ask that when someone is speaking at the podium that people are attentive to the speaker.

Thank you,
Dody Flynn
DMA National Immediate Past President
