

PASC Liaison Report

Thursday July 4, 2024

What a great week it has been!!!!

We had 81 routines registered in Preliminaries representing 11 member teachers. 466 in Finals representing 39 member teachers. We will be taking 48 entries to Grand Finals on Friday July 4. (20 for 12 and under, 28 for 13 and over)

QR Codes with all schedules were posted, and with the use of the Dakiki app through DCG, we were able to keep members, students, and parents on track of our timing.

Preliminaries ran very smoothly with the open communication between members, Open Scholarship Audition Committee and PASC committee. Students were able to participate in both events and Jr Solo Title Rehearsals going on considering there was a small number of Preliminary entries. Thank you to everyone that worked so hard to make that happen.

Although there was a delay in the start of Day 1 of Finals on Monday, we were able to get things started and ran smoothly the rest of the day. Ultimately ending 30 mins late to the time allotted in the original schedule and only asking for Jr Open Scholarship to begin 15 mins late. We appreciate everyone's patience and understanding during the technical issues.

The rest of the week has been running smoothly. Judges have stayed on task to allow barely any moments in between routines. IT Cinemas added a nice touch of allowing students to have their photos taken in between routines to have for the memory keepsakes. Also, live streaming was well appreciated.

New this year was the announcements of High Scores each day once a category ended. Having the students speak into the mic was a special treat making them feel special. Improv competition and Overall Announcements (ONLY) will be held on Friday only.

Grand Finals will be announced in Marquis Center and South Friday July 5th at 1:00 for 12 and under and 2:30pm for 13 and over.

Grand Finals will begin at 5:00pm with 12 & under. Approximately starting 13 and over around 6:30pm.

Champion of Champions will perform at Banquet on Saturday July 6th.

Thank you all for this opportunity,

Leslie Ingram
DMA PASC Liaison
